

OLD STONE DOCK ASSOCIATION – Membership & Renewal Application

Welcome to the Old Stone Dock Association. We are proud to serve over 225 friends and neighbors in our special “corner” of Falmouth. Our strength is in our numbers and our members who look after each other and our neighborhood. Your dues help sustain our programs and activities: bathhouse betterment, beach cleanliness, street maintenance, safety, environment, tuition assistance, political presence, and general welfare.

Your Board of Directors are volunteers who meet once a month in meetings that are open to all. We sponsor several events including our Annual Meeting which is combined with a summer social. **We have an active website to keep members abreast of happenings even while they are away (www.oldstonedock.com).** Email communications alert members of timely information. We offer opportunities for philanthropic work and we welcome everyone wishing to contribute their time or talent to various activities.

Annual Dues are \$35.00 per household and our membership year runs from **June 1st to May 31st.** Corresponding via your email address helps us conserve our limited assets. We hold your address and information confidentially and will not publish it if you prefer not to. If you would like to make an additional donation, you can earmark it for whatever purpose you designate. Your membership makes a difference.

Please make your check out to the **Old Stone Dock Association** and return it with the form below (checking applicable boxes) to **P.O. Box 835, Falmouth, MA 02541.** Your timely payment of dues helps us budget our programs and update our roster. Thank you.
